STATEMENT OF REASONS FOR ALLOWANCE

ATTACHMENT
TO PAPER NO.

SERIAL NO. 053,694

The claims of this application have been allowed primarily for the reason that each claim requires that the motion of the intermediate component be constrained to a predetermined path as opposed to a path which could vary somewhat as in Goodfellow, et al. and Murray, et al., for example, where play of the intermediate component is permitted in any lateral direction.

Any comments considered necessary by applicant must be submitted no later than the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
